Explanations

1. c 'Interrupted' is the most logical answer.
2. d 'tired' is the most logical answer.
3. d 'used to ...' is the right usage. The other choices have different prepositions. For example, 'fond of...' have a liking towards...', 'desirous of...'
4. c The answer is 'regarded' because it implies the 'treatment' the primitive men gave to the sun and the moon.
5. a 'Hard response' does not make sense. Also, one cannot figure out what is a 'curious response'. 'Callous' means 'cold hearted or indifferent' which is the most suitable choice.
11. a 'Anxiety' is the best word to describe *vague, nagging sense*.
12. b 'Lose' makes sense because the list helps matters.
13. b 'Number' is the best choice because 15 is already mentioned once.
14. c 'Verge of being forgotten' which means *almost forgotten* is the most appropriate phrase.
15. b 'Anxiety' is a recurring theme in this paragraph. Hence, the correct word to be used is 'stress'.
16. c 'Me' as an object pronoun will replace 'I'.
17. c 'caught my attention' is the correct idiomatic usage.
18. b 'Loudly' as an adverb should be used to modify the verb 'barks'.
19. b Usage of 'elder' instead of 'more older' is correct as elder is used for individuals of the same family. The correct sentence is: 'she is elder to her sister'.
20. d use. . . 'a litre of food'.
21. b The usage of the word 'warned' before the blank gives us the hint that the word used in the blank has to be a negative one and hence 'against' is most appropriate.
22. c The correct word to be used here is 'mortality' because the author just survived a cancer scare, hence had a brush with *mortality*.
23. a The blank requires a negative word because the writer gives a hint before this blank that he is in search of a child who needs help. Hence, the correct answer is 'danger'.
24. c 'Life' is the correct word to be used as the writer gives a hint about saving a child if she is not able to create one.
25. a Keeping in mind the meaning of the entire paragraph, the word that would fit in the last blank is 'adopt' because the couple are planning to save the life of a child who needs help.
26. d A 'loquacious' person is a talkative person and need not be a good public speaker. So, choice (a) is incorrect. It is hard to understand the relation of 'convincing' skills and power of speech. Choice (c) is wrong as presentation skills need not necessarily make a good orator. Thus, choice (d) is the correct answer.
27. d The answer should be 'by' as you are given something 'by' somebody. The other choices don't make sense grammatically.
28. c 'present' is the best word that can fit in this commonly advocated sentence.
29. b 'eventually' is the correct word because the results of any practice come after some time.
30. a The correct word to be used here is 'domesticated', which means to train an animal to live in a human environment.
